

# High Peak Conservatives

Dear All,

As you will be aware, the Government are updating their advice daily in an attempt to reduce the spread of COVID-19. As well as the latest information that schools are to close across the country, advice relating to social distancing, avoiding pubs and restaurants, working from home where possible etc to delay the spread of this virus must be followed to allow the NHS to deal with the increased strain it is currently under.

It is for this reason, and following Government advice, that we have taken the decision to close our office until further notice to reduce the risk of the virus being spread to or from our staff, volunteers and tenants at 1a Hardwick Mount. There will also be no campaigning, meetings or fundraising events from the Conservative party in the High Peak until further notice.

Our telephone will not be covered during this time although we are making provisions for the answerphone to be checked weekly. Emails will still be monitored so if you would like to contact the Association we would urge you to use this method of communication. If you are in contact with any of our members who do not use email, we would be grateful if you could pass on this information.

During this time, we would ask that our Councillors and members check on their elderly or vulnerable neighbours and help out where they are able, obviously without putting yourselves or others at risk.

On a final note, we are seeing an incredible response of kindness by the constituents in the High Peak and, as always, we are proud to be part of this constituency. We hope you all stay safe and well and look forward to getting back to normal as soon as possible!

Kind regards,

Stewart Young

**Chairman**

**High Peak Conservative Association**
